From the Executive Director and Board of Directors...

For 90 years, the YWCA has served individuals and families in the Pekin area. Your YWCA facility and staff serve our local community through affordable child care services, fitness classes in and out of the water, life saving water safety and swim lessons, water rehabilitation therapy, no cost adult literacy services, and the Coalition for Equality activities. Although we receive some grants and self-payment for several of the services we offer, they are not all inclusive. Now, more than ever, as times change and funding sources become more scarce, we need the support of our community to continue to offer these programs and services. We are so appreciative of our YWCA Pekin family and ask you to please consider a tax-deductible donation to the YWCA Pekin today.

Sincerely, Tanya Simpson, Executive Director, and Gina Tillman, Board President
